Subject: The state of Hollywood Blvd.

Good Morning

I am a Prop Master in the Motion Picture Industry. Yesterday I went to Hollywood and Highland to buy some "Hollywood" tourist props for a show I am working on.

I witnessed several men lying on the sidewalks in the public right of way. The smell of marijuana was in the air from guys smoking pot openly.

Why are the police not paying attention to this problem?

The traffic officer directing traffic at Hollywood and Highland had a clear and direct line of sight to at least one person practically laying in the crosswalk and ignored it.

This is an embarrassment to Hollywood! Thousands of tourists are passing through here and it looks worse than 42nd St did 30 years ago.

This is just my two cents, but Hollywood gave me the creeps yesterday and I have been visiting that Blvd for 40 years.
